Our Trainee's Testimonials

Hashit Bhavsar

Hey there !, I have been student of TechnoFunda course at AMDC. Every institute teach techniques, but "Arihant metaskill" demonstrate various and accurate methods which is highly effective. Top of that, Mr. Kiran jani and Mr. Tejas jariwala, who are the mentor of this amazing course teach us, how to think differently from other players of the market, which is most essential thing. Moreover, the best moment of the course is discussion in master class, three experts at time. Every students learnt many different things. Faculties have ocean of knowledge, but they are so humble. Blessed that i have this kind of mentor. In addition , Arihant have fantastic infrastructure.

Thank you AMDC for such course.

Devanshi Zandawala

The Stock Market Course at Arihant Metaskill was a game-changer! The instructors provide comprehensive insights, breaking down complex concepts into digestible chunks. I learned practical strategies and gained confidence in navigating the market. Highly recommend!
